警告 Warning for installation

- !** Please do not install products on non-reinforced walls. Risk of product dropping may occur, resulting in injuries.
 - ※Before completion of the wall, reinforce it with a material (plywood, etc.) that is 9mm or thicker for the installation screws.
 - ※For installation on light gauge steel, please reinforce metal with plywood as the strength of the metal might be insufficient.
 - ※Installation of products cannot be made directly on ALC materials, light gauge steel and hollow spaces of concrete blocks.
- ⊘** This product is not waterproof. Do not install this product outdoors, in the shower, or any other place where it will be exposed to water or excessive moisture. The product may fall and cause injury due to the corrosion of parts.
- !** After installation, please check the product once more to ensure that it has been installed firmly. If the product is not firmly installed, the product might wobble and there might be risks of product falling, resulting in injuries.

警告 Warning for Use

- ⊘** Please do not use product for any unintended purposes or applications. Doing so may cause product failure and result in injuries.
- ⊘** Loads heavier than the stated load capacity may result in product failure and possible risks of injuries.
- ⊘** Please do not subject the product to excessive forces or strong impacts. Product failure may occur, leading to risks of injuries.

注意 Instructions for Use

- ⊘** Wipe away cosmetic and/or chemical product stains immediately when found. Long term stains will result in corrosion, discoloration, and/or deterioration which may lead to product failure and result in injuries.
- ⊘** To clean, wipe gently with a soft, dry cloth. For stubborn stains, wipe with a soft cloth dipped in a mild neutral detergent (5-10%) diluted in water and wipe off with a fresh soft, dry cloth.
Do not use gasoline (Benzine), paint thinner, alcohol, toilet detergents, fungicides, chlorine detergents, acid or alkaline detergents or cleansers.

Product Specification

Type	Towel Rail
Code	SC-471
Material	Aluminum
Dimensions	486 x 62.5 x 33 mm
Load Capacity	98N (10kgf)
